## NOTICE

### **THE TŚILHQOT'IN NATION NO LONGER OFFERING EMERGENCY SUPPORT SERVICES (ESS) GROUP LODGING DUE TO IMPROVED WILDFIRE CONDITIONS ACROSS B.C.**

Last week on August 20, 2021, the Tsilhqot'in National Government (TNG) extended an invitation for ESS Group Lodging for displaced Tsilhqot'in members across the province. Due to the improved wildfire conditions, and many evacuation orders and alerts being rescinded, TNG is no longer offering the ESS Group Lodging proposed.

We are thankful that the wildfire situation has improved for people and we are standing ready to assist when and if needed in the future.

Stay Safe Everyone!
