**REACHING THE WORLD THROUGH INNOVATIVE PROGRAMMING**

## WORKING TOGETHER BUILDING HEALTHIER COMMUNITIES

Andrew is a Métis from the Batoche and St. Louis communities. Andrew is a Registered Social Worker with the Saskatchewan Association of Social Workers. He acquired a Bachelor of Indian Social Work degree from the First Nations University of Canada.

The workshop Power Points that we are marketing are meant as a tool to equip Frontline Workers to confidently and competently deliver top notch programming to the people that they work with.
