*The latest information important to T̂silhqot̂'in fish and fishing activities*

## **T̂silhqot̂'in Fisheries Update:**

### **Chilcotin/Chilko mainstem sockeye opening starting today**

Based on technical fisheries information available to date, the T̂silhqot̂'in National Government (TNG) has **updated** the scheduled T̂silhqot̂'in fisheries opening in the **Chilcotin/Chilko Mainstem**:

- **Ts'eman (sockeye)** – The fishery for Ts'eman (sockeye) is now **open starting today, Tuesday, August 29, 2023 until Wednesday, September 6, 2023 at 6:00pm**. This may be extended as more information is available.
- **Dandzex (pink)** – The Dandzex (pink) fishery is now **open for the rest of the fishing season**.
- **Jâ (Chinook)** – After August 27, 2023, please release **Jâ (Chinook)** in the Chilcotin/Chilko Mainstem to support the recovery of our vulnerable stocks.

The T̂silhqot̂'in fisheries opening does **not** include the Fraser River Mainstem.

Fishery opening dates may be adjusted in-season as more information becomes available. Under extreme circumstances, emergency conservation measures may be implemented.
